I'm rockin' tonite, I'm walkin' on air  
Gonna find me some trouble, gonna grab my share  
I want you tonite, I want you with me  
Make me guilty of love in the first degree, yeah

(You want it all right)  
We're goin' in style, say you walk right, you talk right  
And your hair's so wild  
(Snow-white)  
Hey that's not what I mean  
We go down in the shadows and crawl between

Moonlight in the city brings the magic to your eyes  
Freezin' a moment, leave me paralyzed  
Breathe an emotion, set it dancin' in my ear  
Bring on the rhythm when I hold you near

Take me in your arms  
Roll me through the night  
Take me to your heart  
Rock me tonite

(You do it all right)  
You're passion to see  
You been schooled in the art of romancin' me  
(Hold tight)  
You're in for the ride  
Can you feel the blood poundin' way down inside

No one's stoppin' us now  
We go down, down where the music's loud  
(If it's all night)  
Hey that's all right by me  
Go and play on my love, play it all for me

Life's never easy, we can make it if we try  
Takin' our chances, face 'em side by side  
Live for the moment, on that we can agree  
Come and take me where I long to be

Take me in your arms  
Roll me through the night

Take me to your heart  
Rock me tonite

Take me in your arms  
It's alright  
(It's alright)  
Take me to your heart  
Rock me tonite

A time for all and all in time  
A step beyond the borderline  
Of who we are and where we long to be  
When every night you hear the sound  
Of wakin' up and breakin' down  
You find a chance and heave it all away

Come on babe, take me in your arms  
Roll me through the night  
Take me to your heart  
Rock me tonite

Take me in your arms  
It's alright  
(It's alright)  
Take me to your heart  
Come on take me  
Rock me tonite

Take me in your arms  
[Incomprehensible]  
Take me to your heart  
Rock me, rock, rock, rock and rock me  
Rock, rock, rock and roll me

It's alright  
Yeah, yeah  
Yeah, yeah  
[Incomprehensible]
