Take my soul to the lost and found
Girl, she made me a hand me down
I never know when she'll come around
Or what I'll see

No resistance, it's hardly fair
Call my name, honey, I'll be there
I'll give in to you anywhere
So foolishly

I could never ever lie to you
I could never even try
I just wanna be beside you

She's a runner
She's a runner

Sweet emotion will pass you by
Girl, she left me alone to cry
I still remember
How she could make love to me

You see the traces, they always show
Some may come and some may go
But one of us will never know
What you see

Never wanted to rely on you
Never wanted you to try
I just wanna be beside you

She's a runner, anyone can see
She's a runner, she run all over me
She's a runner, you can't walk away
She's a runner, she can make you stay

She's gonna outrun you, babe

I need to listen to my advice
The aggravation ain't worth the price
I can tell, she won't think twice
She gonna knock down, put ya down

She's a runner, anyone can see
She's a runner, she tore it outta me
She's a runner, watch her walk away
She's a runner, you can't make her stay

She's a runner, baby
She's a runner
She's a runner, baby
She's a runner
