I told you once and I told you twice  
Ya never listen to my advice  
You don't try very hard to please me  
With what you know it should be easy

This could be the last time  
This could be the last time  
Maybe the last time  
I don't know

I'm sorry girl but I can't stay  
Feelin' like I do today  
Too much pain and too much sorrow  
I guess I'll feel the same tomorrow

This could be the last time  
This could be the last time  
Maybe the last time  
I don't know

Look out baby

This could be the last time  
This could be the last time  
Maybe the last time  
I don't know

Well I told you once and I told you twice  
That someone will have to pay the price  
But here's a chance to change your mind  
'Cuz I'll be gone a long, long time

This could be the last time  
This could be the last time  
Maybe the last time  
I don't know

Oh no

I've been scandlized, tantalized, mesmirized  
By the look in your eyes

Your takin' your time, you pay me no mind  
I never thought that I would leave you behind  
Oh no

Here I go
