Well I tripped
I Fell down
Naked
Well I scratched my knees
They bled

Sew up my eyes
Need no more
In our game
There is no score

Forgive me father
Why should you bother
Try honesty
Try honesty
Hop in your dump truck
Leave us for good luck
Ride over me
Ride over me
Take on the whole world
Fight with a young girl
Die tragedy
Die tragedy
Call me a cheap skate
Come on for pete's sake
Cry agony
Cry agony

Im Insane, it's your Falut
So sly
Your well of lies
Ran dry
And I cut the cord
Free fall
From so high We seem so small

Forgive me father
Why should you bother
Try honesty
Try honesty
Hop in your dump truck

Leave us for good luck
Ride over me
Ride over me
Take on the whole world
Fight with a young girl
Die tragedy
Die tragedy
Call me a cheap skate
Come on for pete's sake
Cry agony
Cry agony

Im Insane, it's your Fault
Try
Im insane, it's your Fault
Die
Im Insane, it's your Falut
Cry

Forgive me father
Why should you bother Now?

Forgive me father
Why should you bother Now?

Forgive me father
Why should you bother
Try honesty
Try honesty
Hop in your dump truck
Leave us for good luck
Ride over me
Ride over me
Take on the whole world
Fight with a young girl
Die tragedy
Die tragedy
Call me a cheap skate
Come on for pete's sake
Cry agony
Cry agony

Cry agony, Cry agony

Cry agony, Cry agony

Cry agony, Cry agony
