Your life is mine!  
Your eyes will tell me their secrets  
Your life is mine!  
Of things that they have seen  
Tonight you sang to me  
Your life is mine!  
Your eyes will tell me their stories  
Your life is mine  
Of things that they have seen  
Tonight you sang to me

One click this gun that is gone and all of these people  
shall witness who the better man is

TONIGHT!  
Your eyes will tell me their secrets  
Your life is mine!  
Of things that they have seen  
Tonight you sung to me  
Your life is mine!  
Your eyes will tell me their stories

Your life is mine  
Of things that they have seen  
Tonight you sang to me

Tonight you whispered to me your life is mine  
You whispered to me your life is mine

YOUR LIFE IS MINE  
JUST FOR TONIGHT  
YOUR LIFE IS MINE  
JUST FOR TONIGHT

Tonight you whispered to me your life is mine  
Tell me the answers to all of my questions and say  
farewell  
Tonight you whispered to me your life is mine  
Tell me the answers to all of my questions and say  
farewell  
Is mine  
Tell me the answers
