I got lots of problems
Female Trouble
Maybe I'm twisted
Female Trouble
They say I'm a skank
But I don't care
Go ahead put me in your electric chair

I got lots of problems
Female Trouble
Maybe I'm twisted
Female Trouble
Hey spare me your morals
Look out for yourself
What's leading me is paradise

I got lots of problems
Female Trouble
Maybe I'm twisted
Female Trouble
Oink! Oink! Oink! Oink!
I'm a jerk - I like it fine!
As long as I'm making headlines
Ah ha ha Yeah!
I got lots of problems...
