(I said: 'Perhaps you will be willing to show  
Me my eternal lot, and we will contemplate  
Together upon it, and see whether your lot or  
Mine is most desirable.' ...So the Angel said:  
'Thy phantasy has imposed upon me, and thou  
Oughtest to be ashamed.' I answered: 'We impose  
On one another, and it is but lost time to converse  
With you whose works are only Analytics'.  
I have always found that Angels have the vanity  
To speak of themselves as the Only Wise. This  
They do with a confident insolence sprouting  
From systematic reasoning.)

...ALL THIS BECAUSE OF THEM  
WHO CAN'T EXIST  
WITHOUT EACH OTHER...  
AND NOW I HOPE  
YOU'RE GOING TO ABANDON  
YOUR FOOLISH QUEST AT LEAST

"What's going on outside?  
Who is that?  
Why are you trying to enter?  
Stop it, I'm going to cry -  
Don't try to creep under the shelter"  
Lie down and wait for me! -  
"Take back the hands of yours!"  
Prepare to pick your sick  
And open the doors  
Meet second angel and keep him inside.  
He's one you're not to like  
Who looks gargoye alike  
In the name of...

There's important piece of news -  
But just have a look at this  
What can you say?  
You won't refuse  
To catch and eat your enemies  
"Have we ever met before -  
You're looking like a dead

Have we ever met before -  
I have never seen like that  
And I will probably never see it again!"-  
(I) belong to you my Dear  
As you belong to me  
In the name of GOD!

Nobody found the invisible border  
Is breaking up your brain to the pieces  
Keep your daemon inside  
Your ego and your mind  
Because your angel can't live without him  
(He shalt be) not alive, not alive  
THEY CAN'T EXIST WITHOUT EACH OTHER

Each of people keeps inside  
Daemon next to the holy Angel  
Each of people keeps inside  
Good and evil, black and white  
"I am uneasy 'cause I can lose my will -  
I do not want to pay this diabolic bill!"  
Too late and you must keep your daemon inside!  
He's one you're not to like  
Who looks gargoyle alike  
In the name of...

Because of your sick idea -  
Because of your infinite wishes  
You got the key with me:  
We're going to open almost any door  
There is unholy key deep down in your soul  
I'm over there...  
I am yours for ever more!  
You are possessed with me and keep me inside!  
(I) belong to you my Dear  
As you belong to me  
In the name of GOD!

Forlorn between the fragile pages of eternity -  
Thus lost among the countless tomes of your fears and  
insanity.  
You're loath to be impassive to the surges of your  
destiny  
But now your mutilated corpse obeys the law of  
mortuary.

Astray within your puzzling mind,  
Obviously you couldn't meet me -  
I haven't spoken when I am arrived -  
Keep me inside, my newfound mistress...  
You or me - who looks gargoyle alike

Decide which one so keep me inside!

Strange venture none the less -

This brew is gone, your pot as used to be

Empty -

There is only echo screams there more than terribly.

Oh let me live inside demented kingdom of infinity -

Infinity of all your dreams and now obey my sorcery.
