I want your loving in every single way  
I'm here to show you happiness tonight, won't you stay.  
You can be my friend, I hope you understand  
The more you let me love you, the more I'm in  
command.

Chorus

Love reaction... gimme some satisfaction (x4)

Tonight's the night we're sharing our romance  
I knew for sure this was love from the first glance.  
Look me in the eye and tell me what you see  
There'a love that's deep inside that has to be set free.

(chorus)

I want to be your friend  
I hope you understand.  
I want to be your friend  
I want your love reaction
