Let me tell ya about a place I know  
And it don't take much dough  
Where you can really do your thing  
Got a men only sign outside  
Come in, take a look at your mind  
You'd be surprised at what you find.

Screaming guitars and  
Strobe lights gettin' down  
People come in there  
From all parts of town.

Move, move, move to the beat of the jungle groove  
I said move move move to the beat of the jungle  
groove.

Chorus  
Psychedelic Shack, that's where it's at  
Psychedelic Shack, that's where it's at  
Psychedelic Shack, that's where it's at  
Psychedelic Shack, that's where it's at

Stranded in the jungle and I got no place to hide  
The jungle is so dangerous, there's evil in their minds  
Witch doctors are cannibals, the rhythm drives you  
insane  
Medicine man has something to take away the pain

Move, so move, so move to the beat of the jungle  
groove  
I said move, move, move to the beat of the jungle  
groove

(chorus)

I'm a lover not a fighter  
Teacher not a preacher  
Singer not a swinger  
So move to the best, c'mon!

Move, so move, so move to the beat of the jungle

groove  
I said move, move, move to the beat of the jungle  
groove  
Jungle beat chacha, jungle beat chacha  
Jungle beat chacha, jungle beat chacha

Put on your mask, pick up your spear  
A ring in your nose, a diamond in your ear  
Jungle beat chacha, jungle beat chacha  
Jungle beat chacha, jungle beat chacha
