Turn around
Stand up like a man and look me in the eye.
Turn around
Take one final look at what you've left behind.
Then walk away from the greatest lover you have ever
known.
Yes
Walk away
You're telling me
That you can make it on your own

By yourself all alone without my help
Mister
You just made a big mistake.
You think you're a man
But you're only a boy

You think you're a man
You are only a toy.
You think you're a man
But you just couldn't see

You weren't man enough to satisfy me.
Shut the door
Take a look around and tell me
Waht you find.
Shut the door
Take a giant step for you and all mankind.
Then don't come back
I always gave you so much more than you deserve(
Now don't come back
'cause no one makes a fool of me

You've got a nerve to walk away
Mark the words I'm gonna say

Mister
You just made a big mistake:
You think you're a man
But you're only a boy

...

You think you're a man
But you're only a boy

...

You think you're a man
But you're only a boy

...

You think you're a man
But you're only a boy

...
