Lately

(I've been watching you)

Been thinkin 'bout you, baby

(And everything you do)

Just sittin' away watching the days go by

Just sittin' away watching the days go by

Have you ever felt a breeze hit hard

Like the wind was blowing it apart?

As you're spinning like a merry-go-round

Indications of a storm touching down

Wish that I can wear the rain and storm

But I guess it was heart break from the norm

Was a day I will always remember

The saddest day in sweet November

Lately

(I've been watching you)

Been thinkin 'bout you, baby

(And everything you do)

Just sittin' away watching the days go by

Just sittin' away watching the days go by

Baby, I'm on my knees praying, God, help me please

Bring my baby back right back to me

If lovin' you was right then I don't wanna go wrong

So I drown myself with tears

Sittin' here, singin' another sad love song

Lately

(I've been watching you)

Been thinkin 'bout you, baby

(And everything you do)

Just sittin' away watching the days go by

Just sittin' away watching the days go by

Lately I've been torn apart

I wish you hadn't broke my heart

I'm missin' you, babe

Missin' you, baby Jay

Lately I've been torn apart
I wish you hadn't broke my heart
I'm missin' you babe
Missin' you, baby Jay

Lately
(I've been watching you)
Been thinkin 'bout you, baby
(And everything you do)
Just sittin' away watching the days go by
Just sittin' away watching the days go by
