Dance-ah feel the heat
Rock your body to the native beat

chorus
Step by step
Slowly I turn
Step by step
Come on

Well here I am I got the beat
I'm gonna rock to the rhythm of the body heat
Come on now let's have big fun
Rock to the rhythm let's get undone.

I've achieved my teenage dream
Cuz love was on my mind
This native love is restless
And I'm just not satisfied.

And I'll never get enough
Of that native love.

(chorus)

My car is my Ferrari and my body's Jack LaLanne
My clothes are by Armani and my hair is by Elaine
Tiffany and Cartier are telling me the time
This native love is restless and I'm just not satisfied.

And I'll never get enough
Of that native love
Dance ride feel the heat
Rock your body to the body heat.

What it looks like
What it is
Say pungra, jungra
Say damn to the thungra

(chorus)

This native love is restless

And I'm just not satisfied
This native love is restless
And I'm just not satisfied

Hey GQ man, here I stand
For everyone to see
And if I'm not your type, well that's alright
Cuz that don't matter to me.

Got the rhythm and the rhyme
I'm right on time
I'm gonna blow your mind
This native love is restless
And I'm just not satisfied.

(chorus)
