Had enough danger
With people on the streets
Looking out for angels (angels)
Just tryin tah find some peace mmm

I think it's time (Now I think it's time)
It's time that you let me know (you let me know)
So if you love me, Say you love me
And if u don't.. just let me go

Teacher there are things
That I don't want to learn (things that I don't want to
learn)
And the last one I had made me cry
So I don't want to learn to
Hold you, Touch you
And think that you're mine
Cuz it ain't no world for an uptown girl
Teacher has told her Goodbye, Goodbye, oh Goodbye

When u were just a stranger
I was at your feet (oooh)
I didn't feel danger
Now I feel the heat (yeah)

The look in those eyes the look in those lovely eyes
Is tellin me (is tellin me)
No, so you think that u love me
No, that you need me
I wrote this song, I know it's wrong
Just let me go

Teacher there are things
There are things that I don't want to learn (things that I
don't want to
Learn) (oooh yeah)
Ooh the last one I had made me cry (come on)
So I don't want to learn to
Hold you, Touch you
Think that you're mine
No world for an uptown girl
Teacher has told her Goodbye, Goodbye, oh Goodbye

So I don't want to learn to
Hold you, Touch you
Think that you're mine
No world for an uptown girl
Who just isn't willin to try
So cold (so cold)
Inside (inside)
Ooh baby just one more (gimme one more try)

Just one more try to ease my mind
I feel so cold inside
Just one more try to ease my mind
I feel so cold inside
Just one more try to ease my mind
I feel so cold inside
