Your loving drives me crazy -
Shake it up

So don't you be lazy -
Shake it up.
I want to love you
All night -
Shake it up

I want to love you

Love you right - shake it up.
Up
up
shake it up
shake it.
Up
up
shake it
shake it.
Up
up
shake it up
shake it. Up
up
let's shake it up.
I want to give you what I know you need
so let's - shake it up.
I'm going to give you that love in me
so let's - shake it up.
We can have a love explosion - shake it up
That's full of love emotion - shake it up

This is the consummate attraction - shake it up
Let's cause a nuclear reaction - shake it up.
Up

shake it. Up

shake it. . . .

I want to give you what I know you need
so let's - shake it up.
I'm going to give you that love in me
so let's - shake it up.

So don't you get lazy - shake it up.
We can have a love explosion - shake it up
That's full of love emotion - shake it up.

shake it. . . .
Shake it up - shake it up - shake it up . . .
