Verse 1:

Somebody asked me how I knew
Oh you were the one for me baby
And I was the one for you
I never had to ask myself that question why?

Chorus:

Your love is something that I know is mine
Your love is something that I can't deny
Your love is something that I feel inside

Verse 2:

Oh everyday I thank the lord above
For the sweet essence of your love
Oh I know this love was meant to be,
You are the biggest part of me
Deeper than the deepest ocean
Oh I take the pride in knowing
That I got you by my side
Ever waiting, ever standing by

Chorus:

Your love is something that I know is mine

Your love is something that I can't deny
Your love is something that I feel inside

Verse 3:

Not an hour out of the million days
Could you ever take your sweet love away
Not a one day out of the million years
Could I ever live without you here
Inside everyday I thank the lord above
For the sweetness of your love
Kindness of your love
Patience of you love
One and only lover
Never be another

Chorus:

Your love is something that I know is mine
Your love is something that I can't deny

Your love is something that I feel inside
