I could feel it from the start  
Couldn't stand to be apart  
Somethin' bout you caught my eye  
Somethin' moved me deep inside  
I don't know what you did boy but you had it  
And I've been hooked ever since  
Told my mother, my brother  
My sister and my friends  
Told the others, my lovers  
Both past and present tense  
That everytime I see you  
Everything starts making sense

[Chorus]

Ain't no other man  
Can stand up next to you  
Ain't no other man  
On the planet does what you do  
You're the kinda guy  
A girl finds in a blue moon  
You got soul; you got class  
You got style; your a bad ass  
Ain't no other man, it's true  
Ain't no other man but you

Never thought I'd be all right  
Til you came and changed my life  
What was cloudy now is clear, yeah yeah  
You're the light that I needed  
You've got what I want boy, and I want it  
So keep on giving it up  
So tell your mother, your brother  
Your sister and your friends  
Tell the others, your lovers  
Better not be present tense  
Cuz I want everyone to know  
That you are mine and no one else's

[Chorus]

Ain't no other man  
Can stand up next to you

Ain't no other man  
On the planet does what you do  
You're the kinda guy  
A girl finds in a blue moon  
You got soul; you got class  
You got style; your a bad ass  
Ain't no other man, it's true  
Ain't no other man but you

Ain't no other -- ain't, ain't no other, other  
Ain't no other -- ain't, ain't no other lover  
Ain't no other --- I, I, I need no other  
Ain't no other man but you, oh  
You are there when I'm a mess  
Talk me down from every ledge  
Give me strength, boy you're the best  
You're the only one who's ever passed every test

[Chorus]

Ain't no other man  
Can stand up next to you  
Ain't no other man  
On the planet does what you do  
You're the kinda guy  
A girl finds in a blue moon  
You got soul; you got class  
You got style; your a bad ass  
Ain't no other man, it's true  
Ain't no other man but you

And now I'm telling you  
Said ain't no other man but you, whoa  
Ain't no other man  
Can stand up next to you  
Ain't no other man  
On the planet does what you do  
What you do; you're the kinda guy  
A girl finds in a blue moon  
You got soul; you got class  
You got style; your a bad ass  
Ain't no other man, it's true  
Ain't no other man but you
