HA!
It aint nothing but a party all up in here
so put on your dancing shoes and um
take some time to check out this first
He was workin all day in retail
Full hours seven days a week
All them hours just dont amount to enough
and the job was a dead end street
saturday night was coming oh so fast
everybody needs a little romance
In walks the hot mama
so glad to meet ya
live life and take a chance
when the clock strikes midnight i'll be waitin at the door
waiting for everybody to explode
Meet me at the roxy
Meet me at the roxy
Meet me at the roxy
Just for one night
one night at the roxy will keep you coming back for
more
ya

I've been living in this place my whole life
I ain't never heard the name before
If you wanna really get it right
get it right)
you gotta pass through for sure
when you come out be prepared to hide
Everybody there dresses so fly
Short skirts and tight jeans
Walkin with a little jiggle that you cant deny
When the clock strikes midnight i'll be waitin at the
door
waiting for everybody to explode
Meet me at the roxy
Meet me at the roxy
Meet me at the roxy
Meet me at the roxy
Just for one night
