Oh its raining again  
Hello my sweet baby, it's been a long long while since i  
heard you laugh out loud or i've seen you smile  
I'm writing to you now baby, just to let you know  
it hasn't been the same since i let you go you see  
my heads all up in the clouds (up in the clouds)  
and my mind is spinning like a merry-go-round  
i admit it baby, i am to blame in showing you my heart i  
feel no shame, i wish it would rain, cause i keep crying  
tears from my eyes (tears from my eyes) emotional  
rain, boy i keep crying tears from my eyes, i remember  
when we used to talk, go out dancing, having fun,  
walking in the dark, you would whisper sweet things in  
my ear, saying how you long for me, sounding so  
sincere, then i called no reason, no right, and i said  
unexpected goodbye, i admit it baby, i know i was  
wrong, so i hold my head and cry and sing the same  
old song, i wish it would rain, cause i keep crying tears  
from my eyes (tears from my eyes) emotional rain, boy  
i keep crying tears from my eyes, singing ooh woo woo  
woo woo woo woo woo woo woo over you ooh baby  
my cyin eyes, my crying eyes, woo woo woo woo woo  
woo, ooh baby my cyin eyes, my crying eyes, woo woo  
woo woo woo woo baby my cyin eyes, said i miss you  
baby i love you baby i need you and i'm so sorry baby,  
ooh baby my cyin eyes
