One More Chance - Divine Brown

I know that I said things to hurt you  
I know that I, I made you cry  
Before you close the door, just ask yourself  
Is our love really worth, one more try?  
I know I can't keep running, in and out of your life  
The pain from the past take me back, from the love that  
I had inside

Chorus

All I ask, is for one more chance  
I can't let it go  
My heart just won't let you go  
Here I stand, just one more chance  
All my love, I really need is one more chance

I know you question my love for you.  
When the love that you gave was so honest and true  
(yes it was babe)  
The love that you saw in our son's eyes, you didn't  
quite see the same in mine (no, no)  
I know I won't run away again, I never really wanted  
good bye  
I am begging you darling, cause my heart won't just  
let this thing die

All the days that you spent hating me  
All the nights I'm crying myself to sleep  
All that stands between our love to me is forgiveness  
Please forgive me...  
...

All I ask, is for one more chance  
I can't let it go  
My heart just won't let you go  
Here I stand, just one more chance  
All my love, really need is one more chance  
I am begging you baby please on bending knees  
Here I am on bending bending knees  
For one more chance...  
...

Just for one more chance
