Opened up my eyes to see
Everybody's watchin' me
I just wanna try to gauge the crowd

They turned into moonlight
Getting lost into the night life
I lose control
When I feel that heavy sound

People letting go to the left
Letting go to the right
And it feels so good
I'm flying high tonight

If you got to go, bye
I'll go with you if it's hot
But I can't go anywhere without my
(Sunglasses)

I can't go anywhere without my
(Sunglasses)
I can't go anywhere without my
(Sunglasses)

I can't go anywhere without
Can't go anywhere without
Can't go anywhere without my
(Sunglasses)

Now that we are in the dark
They wanna see me take them off
All the lights are shining down on me
(Whoo, the lights are shinin')

(Whoo, the lights are shinin')
The music makes them come to life
Temperature is on the rise
I'm so excited, I just wanna scream

People letting go to the left
Letting go to the right
And it feels so good

I'm flying high tonight

If you got to go, bye
I'll go with you if its hot
But I can't go anywhere without my
(Sunglasses)

I can't go anywhere without my
(Sunglasses)
I can't go anywhere without my
(Sunglasses)

I can't go anywhere without
Can't go anywhere without
Can't go anywhere without my
(Sunglasses)

Body tingles [unverified]
It doesn't matter
If I'm good when Ive got it
I can't go anywhere without my

People letting go to the left
Letting go to the right
And it feels so good
I'm flying high tonight

If you got to go, bye
I'll go with you if its hot
But I can't go anywhere without my
(Sunglasses)

I can't go anywhere without my
(Sunglasses)
I can't go anywhere without my
(Sunglasses)

I can't go anywhere without
Can't go anywhere without
Can't go anywhere without my
(Sunglasses)

People letting go to the left
Letting go to the right
And it feels so good
I'm flying high tonight

If you got to go, bye
I'll go with you if its hot
But I can't go anywhere without my
(Sunglasses)

I can't go anywhere without my
(Sunglasses)
I can't go anywhere without my
(Sunglasses)

I can't go anywhere without
Can't go anywhere without
Can't go anywhere without my
(Sunglasses)

I wear my sunglasses at night
