

## Divine Brown "Twist My Hair"

Visit "[Twist My Hair](#)" on MotoLyrics.com

Sometimes I need ya  
Sometimes I dont  
Sometimes I take the time to have ya  
Sometimes I wont..  
See I'm just the kinda girl who, loves her space  
But you always take it to heart when I pull away from  
your embrace  
A-Ring-Ring  
No I cant talk now  
Knock-Knock  
uh ah..No ya cant come in!  
When the day is done I'll tell ya just where I stand-stand  
I just wanna think about it while I twist my hair,  
Later on I'll let you know if its more, if its more than I  
can bare.  
(repeat 1x)
