I'm on the fragile ice again. can you see? Oh, can you see?

In a world with thousand doubts
How can't you see?

You're the anchor of the faithful ones, the salt of a tasteless world.

You're the sense of the unconscious minds: the path of the chosen ones.

I haven't found the anchor nor the salt, neither the sense and his path.

No mana skies. No mana skies. No mana skies.

I'm on the fragile ice again. can you see? Oh, can you see?

In a world with thousand doubts.
How can't you see?

Until I find out that truth!

My heart will be, Will be in the name of the Ocean.

In the name of the Ocean. In the name of the Ocean.

Give me a signal before I give up. Show me up your face,

Reveal your being. Stop my sinking ships! No.

I'm on the fragile ice again. can you see? Oh, can you see?

And you can't make appear in front of me
Something that I just can't see.

There's no saints on my roads, no gold in my faith,
No preachment in my thoughts, no lords in my way.
What's beyond the universe?

I don't know, you don't know, you pretend to know.

Are we a part of God's immense creation? Or do we have invented him?

I'm on the fragile ice again. Oh, can you see? Oh, can you see?

I'm on the fragile ice again.
Oh, can you just see it?.

In the name of the Ocean

In the name of the Ocean
In the name of the Ocean
In the name of the Ocean
