Hello  
What would you like to know?  
What would you like to hear?  
What if I just disappear inside myself?  
Hello  
What would you like to know?  
Who would you like to see?  
Who would you like me to be, if not myself?  
And the Europop  
Makes me dizzy  
And I just can't stop  
'Til it's finished  
And I don't know what  
You find funny 'bout the Europop  
And the love of money  
Hello  
Where is it cool to go?  
When is it cool to leave?  
What is it cool to breathe inside myself?  
Hello  
Don't tell me what I already know  
Don't show me what I've already seen  
Don't take me where I've already been  
Inside myself  
And the Europop  
Makes me dizzy  
And I just can't stop  
'Til it's finished  
And I don't know what  
You find funny 'bout the Europop  
And the love of money  
Financial gain

Is a very pleasant thing  
But the transitory pleasure that it brings  
Counts for nothing!  
So  
What is there left to know?  
What is there left to say?  
Nothing  
And the Europop  
Makes me dizzy

And I just can't stop  
'Til it's finished  
And I don't know what  
You find funny 'bout the Europop  
And the love of money  
And I thank God  
That you're aware  
Oh thank God  
That you're aware  
Of the earth and of the air  
And of the girls making like they don't care  
But they are blessed  
And you are cursed  
With the conscience of a universe  
Of the mind and of the soul  
Of reduction science digging itself a hole  
And I thank God that you're aware  
And thank your God we're all aware  
It's taken time but I'll think you'll find  
That everything is alright
