It is a far far better thing that I do now than I have ever
done before

It is a far far better place that I go to than I have ever
known before

My slap'n'tickle made her giggle, made her wiggle like
a willow tree -

so suggestively

So I suggested

She protested

I persisted 'till she said Well Ok

and I said Wey-hey!

In or out - of one thing there can be no doubt

Out or in - this is not a sin, it's not even original

and hey we're all individuals - so let the games begin

I fall in love with soemone new practically every day but
that's okay

It's just the price I pay for being a man (if that's really
what I am)

And I refuse to take it all too seriously

It's such a strange activity far too peculiar to be taken
any other way

(Don't wait until tomorrow) - do it today

(In out in out in out in out in out in out in out)

Shake it all about
