Baby, life's what you make it - can't escape it  
Baby, yesterday's favourite; don't you hate it?  
Everything's all right... life's what you make it  
Baby, life's what you make it - don't backdate it  
Baby, don't try to shame it; beauty's naked  
Everything's all right... life's what you make it  
Baby, life's what you make it - celebrate it, anticipate it

Yesterday's faded; nothing can change it  
Life's what you make it  
Everything's all right... life's what you make it
