I'll have a shower  
And then phone my brother up  
Within the hour  
I'll smash another cup  
Please don't start saying that  
Or I'll start believing you  
If I start believing you  
I'll know that this party fears two

And what if this party fears two?  
The alcohol loves you while turning you blue  
View it from here  
From closer to near  
Awake me

Don't turn around  
I won't have to look at you  
And what's not found  
Is all that I see in you  
My manners are failing me  
I'm left feeling ugly  
And you say it's wonderful  
To live with I never will

So what if this party fears two?  
The alcohol loves you while turning you blue  
View it from here

From closer to near  
Awake me

I'm standing still  
And you say I dress too well  
Still standing still  
I might but it's hard to tell  
Even a slight remark  
Makes nonsense and turns to shark  
Have I done something wrong?  
What's wrong's the wrong that's always in wrong

I'll have a shower  
And then phone my brother up

Within the hour  
I'll smash another cup
