Artist: Divine Comedy, The

Album: Unknown

Title: The Dead Only Quickly (the Magnetic Fields)

Priests and fools say
We are but animate clay
Rude vessels
Housing immortal souls

But the dead only quickly decay
They don't go about being born and reborn
And rising and falling like soufflé

The dead only quickly decay

It would be swell
To see some folk burn in hell
But when they go
It's just pleasant to know
That the dead only quickly decay
