Breaking laws, taking life--violate--born into life of
crime--on the run--scum of the earth--greed killing
crime--unlawful
Acts--spit in your face--try to run--try to hide--wanted--
genocide, destiny--feasting--scavenger, using lies--
vulture--morals
Fade, harmful ways--liar--come out and play--known for
your games--now time to pay--its judgment day--public
enemy number
One--dealing drugs, talking shit, loser--self-
proclaimed, think your god--false claim--hypocrite
fucking prick, virus--come out
And play--known for your games--now time to pay--its
judgment day--taking all your time--commit endless
crime--future Will not
See--locked up you should be--betray your own kind--
madness fills your mind--still have no more class--you
can kiss my ass.
