Cast to this hell--grime fate to be--tear down your
world--blood flow will cease--drawn to this plague--
cannot be
Saved--darkness rise--paralyzed--spread disease--
impurities--cold but not dead--nerve death Will grow--
light of day gone--your
Soul die slow--root out he past--no god to grasp--lost
untold dreams--not to be seen--parasite controls your
mind--altered state
Is what you find--quickly destroying your kind--cast to
this hell--grime fate to be--tear down your world--all life
will
Cease--darkness rise--paralyzed--spread disease--
impurities.
