Sanctuary is his goal--to the devil sold his soul--
resurrection this damn curse--everything gets worse--
cold air rushes through
The air--what you've become is not fair--devastation all
you see--dark reality--in this hell where you live--
nothing more has to
Give--warning to his enemies--i will make you bleed--
get his pound of flesh--revenge in his eyes--body laid
to rest--burned and
Torched to death--aura of their sin--vengeance will
begin--penance will be served--get what you deserve.
