No more hope for mankind--judgment day is coming--  
told by Nostradamus--and the second coming--predict  
worldwide  
Famine--earthquakes cause destruction--cities filled  
with people--all life will be shattered--storm of blood  
and fire--forecast  
Armageddon--blood and war Will follow--message of  
the prophet--raging rivers of blood--nothing Will  
survive it--all things known  
To man--all which will be dead--in the second coming--  
all life will be shattered--darkness and diseases--  
warned by  
Nostradamus--signs are all around us--games of  
slaughter unfold--foreseen by the prophet--mighty  
Nostradamus--lord of all wont  
Help you survive--believe in him and you shall be dead--  
-holocaust of extremity--get down on your knees now  
and pray--pray for me.
