"Witness To Terror"

Stalking victims for his game--kidnapped, fragile,
feminine prey--Bundy's instinct, ways to play--to the
forest to be
Slayed--strapped to a tree, scream--right before you,
rape--forced to watch me kill--now you are next, die--no
one hears you,
Screaming help--between her thighs, forced inside--
terror flows thick through his veins--reaching for his
killing blade--strapped
To a tree, scream--right before you, rape--forced to
watch me kill--now you are next die--your flesh i crave,
your blood i
Quench--will fix my greed, my lust for you--and all your
screams--these gifts you have, are all i need--stalking
victims for his
Game--kidnapped, fragile, feminine prey--Bundy's
instinct, ways to play--to the forest to be slayed.
