Passed down through ages  
Sacred pages  
Moral interpretations  
Sacrosanct scriptures  
These encriptions  
Used for the evil of man

The disciples come to render his sons  
Evoking the fear of creator  
Throughout modern times  
Ancient dated lies  
Have controlled our lives  
You're no shephead

Royal blood heresy

Abort dissected  
Taint pencption  
Until it's drigin is lost  
Struggle for power  
Has devoured  
The messages preached in your psalms

The disciples come to render his sons  
Evoking the fear of creator  
Throughout modern times

Ancient dated lies  
Have controlled our lives  
You're no shephead

Royal blood heresy  
Royal blood heresy

Onward I pray  
Falling from grace into sin

Stand on your own  
To see them fear dethroned  
This tyranny I have disowned  
Falsifieds gospels  
Slain the apostles

Don't live your life as their drone

The disciples come to render his sons  
Evoking the fear of creator  
Throughout modern times  
Ancient dated lies have controlled our lives  
You're no shephead
