United by this common goal  
For pure annihilation  
Obliterate and reinstate  
So lethally combined

Rising like the sun  
All shall become one  
What was will be undone  
Undone

This threat is fucking real  
In time all shall adhere  
This threat is fucking real  
Beware the reckoning

Etched in stone  
With blood and bone  
A place amongst the gods  
Delivering salvation  
And a cure against the gods

Rising like the sun  
All shall become one  
What was will be undone  
Undone

This threat is fucking real  
In time all shall adhere  
This threat is fucking real

Beware the reckoning

This threat is fucking real  
In time all shall adhere  
This threat is fucking real  
Beware the reckoning

Die  
Die  
Evole or die

Shattering the dissonance

Ressucitate the mind  
Inseminate with inspiration  
Must evolve or die

Rising like the sun  
All shall become one  
What was will be undone  
Undone

This threat is fucking real  
In time all shall adhere  
This threat is fucking real  
Beware the reckoning

This threat is fucking real  
In time all shall adhere  
This threat is fucking real  
Beware the reckoning
