I can do the somber  
Like in November  
Then rock a crowd while I'm in my pajamas  
Like Tito Puente  
I am muy caliente  
Fuck Kunta Kinte  
Cuz Son is the sensei  
I funk with the black belt  
You better step back, hell  
I can Get Smart  
Just like Agent Maxwell  
I don't give a fuck, G  
Hey hey, we're the Monkees  
I'll rock a rhyme to the end of the month, see  
I go on and on  
Like a marathon  
I sing like Sarah Vaughn  
But like the underground  
I flip through some kung-fu  
You know that I've come to  
Freak the ill shit  
You just can't undo

Chorus:

Son, get it funky (I'm shittin' on 'em, shittin' on 'em)  
(4x)

Son, get it funky (yo, I'm shittin' on 'em)  
I can get symphonic  
Like Harry Connick  
Or the Philharmonic  
I'll drop atomic  
Vocals, solo  
Like Sonny Bono  
I got you babe... but who's got the pornos?  
I'm iller than a wino  
I'm not an albino  
I charge like a rhino  
You put me in a ???  
When I rob shit, bomb shit  
Some say I'm obnoxious  
I don't give a fuck

I'll make you feel nauseous  
Row, row your boat  
Gently down the street  
I'll take you all out  
With my funk doobie team  
I got the skills, kid  
Like Rumpelstiltskin  
I put out gold, get smooth like Jackie Wilson  
Singin' soprano  
Move to the piano  
Hey, where's the ???  
Our shit will be in ???

Chorus (4x)

I shoobee-do-pop  
Hip hop like Sinatra  
I spray my Binaca  
Then shake my maracas  
Hey, it's the swinga  
Fuck a humdinger with a finger  
Yo, it's the ultimate singer  
Kumbaya, yo kumbaya  
Like Belafonte  
But what's Del Monte?  
I kicks the flava  
The ill funk behavior  
Sick like polio  
Wild like a rodeo  
Out there in Kansas  
Punk, check the classic  
Get your ass kicked  
So hop in the casket  
I'm rockin calipso  
Who's got the Nabisco  
I cook like Crisco  
I pump the ill disco

Chorus (8x)
