I could be anyone  
But now I realize  
I could be anyone  
Someday

I could be anyone (I could be anyone)  
But now I realize  
I could be anyone (I could be anyone)  
Someday (someday)  
Someday

It started as a new day was dawning  
Turn the night into the morning  
I was lost inside my thoughts again  
Something opened my eyes  
Now I realize

We could be anyone  
Something opened my eyes  
We could be anyone  
Someday

We could be anyone  
Something has opened my eyes  
We could be anyone  
Someday...someday

(spoken) I could be anyone x2  
Someday

Finally my heart that was opened

Listened to the words that were spoken  
I was lost and now I'm found again  
Now I've opened my eyes  
I realize

We could be anyone  
Something open my eyes  
We could be anyone (anyone)  
Someday

We could be anyone (anyone)  
Something has opened my eyes  
We could be anyone (anyone)  
Someday...someday

Na na na na na  
Da da da da da  
Ooh someday

We could be anyone (anyone)  
Something has opened my eyes  
We could be anyone (anyone)  
Someday...someday

Something has opened my eyes  
We could be anyone (we could be anyone)  
Someday....someday
