Get up, get up

[CHORUS]

Get up

Come on, move your body

Get up

Come on, move your feet now

Get up

Move boy, move boy

Get up

Come on, move that body

It's a Friday night and

The groove is kicking

Where the girls are

Finger licking

I came to the club

Just to cool out

But this girl was

Getting buck wild

I really just wanted to dance

But she's grabbing me

By my pants

Said, you're cause you

Gotta get loose

But I came to cold chill

With the crew

Get up, get up

Get up, get up

Now the place is

Even thumping harder

And this here, she

Needs a dancing partner

So I gave her the sex look

Yeah, and that's all it took

Now's the time to get me to groove

But you see, I don't wanna move

Sex is what I wanna do  
So, come hook up and show you

[Repeat CHORUS]

Get up, get up  
Get up

[Repeat CHORUS]

Don't stop now

Get up, get up  
Get up, get up

Here's the one  
That's of life?  
But all you wanna do  
Is dance all night

She thinks I'm lazy  
Maybe crazy  
I just wanna get busy  
And give you something  
You never had before  
No need for a dance floor

I just, she just  
Where we can swing  
I don't wanna move

So I make up another excuse  
To prove that it's not about moving  
The floor is collapsing  
Go ahead, do it

Who knows  
You might just get the juice  
But, man, oh, man  
This is lasting too long  
I need to that crazy song  
I don't wanna move

[Repeat CHORUS]

Get up, get up  
Get up, get up

[Repeat CHORUS]

Get up, get up

Get up, get up
