[lyrics - hill]

Startled one more time  
Out of another restless night  
There's fear and terror in her eyes

She'll hide the tear stains  
Where she used to  
Find her dreams  
There will be no more  
Sleep tonight

To close her eyes would  
Be to face him  
Replay a past  
She thought forgotten  
So today I'll watch the sunrise  
Hoping to catch  
A glimpse of the morning dove  
And carry her prayer to heaven

Crying to heaven  
Hoping her voice will be strong  
Crying to heaven  
She's hoping it won't be too long

Shadows reaching out to her  
The days are getting colder  
She's trying to hang on  
To every minute of every hour  
Tossing and turning the night is  
Tormenting her  
And I'm helplessly  
Watching over her  
So today I'll watch the sunrise  
Hoping to catch a  
Glimpse of the morning dove

I tried to hold you close  
So close within my arms  
Trying to keep you safe from harm

I used to believe that  
Things happened for a reason  
Now I'm not so sure anymore

Staring outside her window again  
Her weary eyes upon the sunrise
