Again man had let himself be taken over by his desires
And will, faith was forgotten by many, giving space to
evil

The age of reform

Those that were to teach and guide the people in the
Way to salvation were drowning in their riches;
Forgetting the great promise

Salvation, the supreme gift
From God
Had become a corrupted message
In the hands of wolves, an instrument to make them
Richer.

A time of anguish, tears and ignorance, but also a
Time in which brave men opposed all the heresies
Of the Roman church

Lies and false doctrines
Indulgences that were nothing more than a way for the
Roman church to exploit the people,

Taking advantage
Of their belief, squandering in luxury, resources
Acquired from the poor.

A time of anguish, tears and ignorance, but also a
Time in which brave men opposed all the heresies
Of the roman church

The age of reform

The Roman church only brought suffering to the people
who
Were faithful to the divine truth, all of the tears that
flowed

From the faces of the innocent
Were because of false teachings that didn't do the will
of God

A time of anguish, tears and ignorance, but also a
Time in which brave men opposed all the heresies
Of the roman church

And in this way thanks to Gods will the holy church
overcame one more obstacle caused by man's
ambition
