I'm looking for a better world  
People crying out for help  
Need your love to do things right  
You know I want to follow you  
And show the world freedom  
Death will be no more

Time to move on  
Together we're strong  
We believe in the son  
Everyone's invited  
Faith, hope and love  
And his heavenly grace  
We're united as one  
Yeah, the door is open

Sometimes it's hard to see the way  
When the world is crashing down  
Keep the faith and don't give up  
He will wipe away your tears  
Hear your desperate prayers  
He's been through it all
