and from there she is never going to escape  
you know that I am always going (i think you mean amar-going to love you)  
and where want to go I am going to take you  
because I am who I am  
a sea athlete(swimmer) until sunup today(I am not sure if that is right)  
and how you showed be to love  
I am always thinking about you
