You know I can be found, I'm sittin' home all alone
If you can't come around, at least on the telephone
Don't be cruel to a heart that's true

Baby, if I made you mad with somethin' that I might
have said
Please, let's forget the past, for future looks bright
ahead
Don't be cruel to a heart that's true
I don't want no other lover, baby, it's just you I'm
thinking of

Don't be cruel to a heart that's true
Don't be cruel to a heart that's true

Let's walk up to the preacher and let us say "I do"
Then you'll know you have me and I know, I'll have you
too
Don't be cruel to a heart that's true
Why should we be apart? I really love you, baby
Cross my heart, cross my heart, cross my heart
