She tells me all the time  
That she loves me  
She even poured the wine  
Of the same

She taught me like  
My first grade teacher  
To love and I love the same

And I love to go to school  
And I like to shoot pool  
And I can't play your fool  
'Cause I'm her fool

I run like a dog  
When she calls me  
'Cause she pets me  
When I bury my bone

I stay overnight  
With her sometimes  
But I don't stay over long

'Cause I gotta go to school  
I love to shoot pool  
And I can't be your fool  
'Cause I'm her fool

I'm her fool in the evening  
And I'm her fool when it's dawn  
I guess I'd be on her side  
Even if her side were wrong

(You're really right, you're right)  
(You're really wrong, you're wrong)  
(You're really right, you're right)  
(You're really wrong, you're wrong)

(You're really right, you're right)  
(You're really wrong, you're wrong)  
(You're really right, you're right)  
(You're really wrong, you're wrong)

My papa said you made a mistake son  
But my mama said the girl, she's all right  
Well, I've come to my own decision  
And I'm gonna be with her tonight

Because I love to go to school  
I like to shoot pool  
I can't be your fool  
'Cause I'm her fool

I'm her, I'm her, I'm her fool  
I'm her, I'm her, I'm her fool  
I'm her, I'm her, I'm her fool  
I'm her, I'm her, I'm her fool

I'm her, I'm her, I'm her fool  
I'm her, I'm her, I'm her fool  
I'm her, I'm her, I'm her fool  
I'm her, I'm her, I'm her fool

I'm her, I'm her, I'm her fool  
I'm her, I'm her, I'm her fool  
I'm her, I'm her, I'm her fool...
