NOT COMPLETELY CORRECT, PLEASE EDIT

I take my best and all the rest, but there's no rest for
the restless.
and i'm sick and tired of just reviveing, yeah.

Some take me for example, I am broken(I am broken)
and i have nothing left to show, I am choking
asphyxiated (asphyxiated)

I try to fly, but want to fly, but I've been sunk to the fire,
and i just can't go on, i am light and turned on, yeah.

Some take me for example, I am broken(I am broken)
and i have nothing left to show, I am choking
asphyxiated (asphyxiated)

and its no use now, no use now
and its no use now, its no use now
and its no use now, its no use now

Some take me for example, I am broken(I am broken)
and i have nothing left to show, I am choking
asphyxiated (asphyxiated)

and i have nothing left to show (intoxicated)
i am broken
asphyxiated(don't take no responsibility)
asphyxiated

and its no use now, its no use now
its no use now, its no use now

(took my soul, its no use to me)
