I love myself I want you to love me
When I feel down I want you above me
I search myself I want you to find me
I forget myself I want you to remind me

I don't want anybody else
When I think about you I touch myself
Ooh I don't want anybody else Oh no, oh no, oh no

You're the one who makes me come running
You're the sun who makes me shine
When you're around I'm always laughing
I want to make you mine

I close my eyes And see you before me
Think I would die If you were to ignore me
A fool could see Just how much I adore you
I get down on my knees I do anything for you

I don't want anybody else
When I think about you I touch myself
Ooh I don't want anybody else
Oh no, oh no, oh no

I love myself I want you to love me
When i feel down I want you above me
I search myself I want you to find me
I forget myself I want you to remind me

I don't want anybody else
And when I think about you I touch myself
I don't want anybody else
Oh no, oh no, oh no

spoken

I want you
I don't want anybody else
And when i think about you I touch myself
OO OO OO-OO Ahhhhh

I don't want anybody else
When i think about you I touch myself

I don't want anybody else
When i think about you I touch myself
I touch myself

I don't anybody else
When i think about you I touch myself
(repeats and fades into end)
