You got a new girlfriend
But I still love you
I can't stand the thought of her
Having a piece of you

What she got that I don't?
What she do that I won't?
You must be blind
Take a good look at her, she's not your kind
I don't know what I'd do
If I saw her with you

I'm jealous,
I'm jealous,
I'm jealous, out of my mind

I come 'round and see you
'Cause I want to remind you
But what if she's there
How would I find you
You've got a new baby
But I want you back again
I'm liable to do anything
I might kick her face in

What she got that I don't?
What she do that I won't?
You must be blind
Take a good look at her, she's not your kind
I don't know if we're through
I'm devoted to you

I'm jealous,
I'm jealous,
I'm jealous, out of my mind

And it hurts
And it hurts right here
In my heart
Is a bloody tear
I thought that you were so sincere

You got what you wanted
And you got outta here
Whoah, You've got a new girlfriend

Oh, You've got a new girlfriend
But I still love you
I can't stand the thought of her
Having a piece of you

I'm jealous,
I'm jealous,
I'm jealous, out of my mind
I'm jealous,
I'm jealous, out of my mind
