Tell me, You have been lost and you were found
How you'd been tossed around
You can tell me

Tell me ,Nothings ? up all the sky
I look illusion in your eye
You can tell me

You don't have to ru, You don't have to hide
You don't have keep everything, everything inside

Talk, Talk, talk, talk to me like the rain
You can Talk, Talk, talk, talk to me like the rain

Tell me , what you are thinking in the silence
It's been too long in a time since you talked to me

Tell me, Your moves in the dark
Your tricks in vain
Again ,
And again (*7)

Talk, Talk, talk, talk to me like the rain
You can Talk, Talk, talk, talk to me like the rain

I've got love, love enough to se you though
I've got sense, sense enough to know when
somethings through
I've got time , time enough to works things ouy
And i want you

I've got arms, i've got legs
I've got hands to hold you

I don'e have to Run , I don't have to hide
I don't have to keep everything inside

Talk, Talk, talk, talk to me like the rain
