I know a place where all streets end Just a few steps one last breath DonÂ't stop keep up and then stay IÂ'll turn around and walk away DonÂ't stop keep up and then stay WeÂ're at where all streets end Light up and burn, burn like the sun One touch and turn, turn around and run Take it easy, love take it easy IÂ'm leaving You know a place where all streets end

Just a short walk some smalltalk Shut up give up and forget And iÂ'll turn around and itÂ's set DonÂ't stop keep up and then stay WeÂ're at where all streets end Light up and burn, burn like the sun One touch and turn, turn around and run Take it easy, love take it easy IÂ'm leaving WeÂ're at where all streets end
