Hey you
Another trip on the ghostship
Another easy trick for a steel kiss
Hey love doesn't make much sense but it's all the
same
Do I bore you
More dirty love
Sit back and cry
As your world dies
I hate to watch you blocking all the exits
Turning in to a ghost
What can I do to get you off the dancefloor
Hey you
A clean hit on a sinking ship

Another easy fix
Final chance to really exist
Hey love
To want more than the last kiss
Do i bore you
More dirty love
Go try your luck
Cause your world sucks
I hate to watch you blocking all the exits
Turning in to a ghost
What can I do to get you off the dancefloor
Dirty love
