Electric, I'm not your toy
Electric

You're not on my list
I'll guess you won't resist, hey
'Cause you leave it all to trust
You ain't got shit

Like radio hits
It's such a myth, yeah
You stole it all
You stole it all pretty

Electric, I'm not your toy
Electric

You can't make me feel
What ain't real, yeah
'Cause all the things you did
To tried to beat me down to the ground, yeah
To the ground, oh

You stole it all
You stole it all pretty

Knew your stones won't beat me down
Sweetest way to make you all
Kick and scream, set me free, higher me totally

'Cause I knew your stones won't beat me down
Sweetest way to make you all
Kick and scream, set me free, higher me totally

You're not on my list, hey
I'll guess you won't resist, oh
'Cause you leave it all to trust
You ain't got shit

It's pretty electric
It's pretty electric
It's pretty electric
Pretty

Knew your stoves won't beat me down
Sweetest way to make you all
Kick and scream, set me free, higher me totally

'Cause I knew your stoves won't beat me down
Sweetest way to make you all
Kick and scream, set me free, higher me totally

'Cause I knew your pretty electric
